NPIC/P&DS/D/6-882  
5 April 1966

MEMORANDUM FOR: Chief, Collateral Support Division, NPIC

SUBJECT: Office Copy Camera

REFERENCE: NPIC/CSD 167-65, 1 April 1965

1. As a result of the referenced memorandum, further elaborated orally by CSD representative [ ] the P&DS set up Project #990855. Many man-hours were expended before P&DS concluded that there was no practical way to meet all the written and oral requirements as stated.

25X1  
25X1

2. Several possible commercial designs were submitted to [ ] who said none fulfilled all of the requirements. The P&DS then drafted and forwarded a set of development objectives designed around its understanding of the problem as stated by [ ] CSD's reply indicated the device described also failed to meet the requirements.

25X1

3. On 11 January a speed letter was sent from CSD to P&DS expressing interest in the [ ] On 17 January the camera was demonstrated and left for trial until 26 January, at which time it was returned. Since it appears the camera was not used by CSD during this period, it is assumed that this item also did not meet the requirements.

25X1

4. Should CSD still require a copy camera, the P&DS will resume its efforts upon the receipt of a memorandum containing the following information:

- a. What size materials will be copied (minimum, maximum)?
- b. What size copy will be needed?
- c. What type of material will be copied (opaque or transparent and what percent of each)?
- d. What type copy is needed (opaque or transparent)?
- e. How many items will be copied in a day (average present, and estimated future with a copier)?
- f. How many copies of each item will be needed (present and estimated future requirements of average numbers and peak numbers)?
